## TEAMTV RE-LAUNCHES AFTER CLOSEDOWN PERIOD

Come and be a part of exciting times as we move into our seventh year of activities.

Following the most recent Annual General Meeting (AGM) on the 28th of May 2009, and the election of a new Executive Committee, TeamTV observed a closedown period for two weeks with the aim of re-imagining the group.

Part of this included moving to a more structured learning approach where the agendas for their weekly meetings are pre-arranged to best impart good film-making knowledge to their members.

The new annual structure will include seminars and lectures on key film-making subjects, workshops to develop these and activities to exemplify them, whilst still preserving time to allow members to network and pursue their own projects - without these projects becoming the single group focus.

The next meeting of TeamTV is to be held at 20.00hrs (8pm) on Thursday the 18th of June 2009, at the Reading International Solidarity Centre (RISC), 35-39 London Street, Reading, RG1 4PS.

"We come from all walks of life; Some of us are in higher education studying Film and Media, some are involved with theatre productions, some are embarking on careers in the film or television industries, and some have simply found a new outlet for their creativity."
